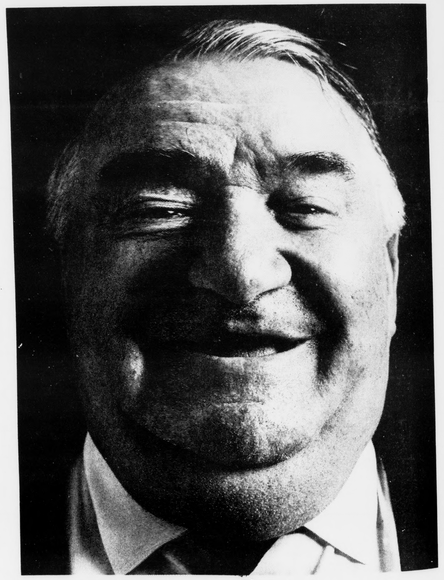
A wonderful feeling...



cash for Christmas!

What is it about Christmas that makes us feel and act so differently? Maybe it has something to do with love and the chance to give to people we really care about. But giving costs money. And the thought of all those bills coming due in January can spoil the joy. Make this the Christmas you do something about it. Like opening a Fidelity Christmas Club Account. Or even two. (One of our bank officers has three!) Each week, salt away a few dollars, five, ten, whatever's easy. And Fidelity helps your savings grow—we add a big 5% interest on paid up clubs computed on a 50 week scheduled basis. Then next Christmas your shopping money is ready and waiting for you. Think of it. Cash for Christmas! Your own Christmas savings plus interest. It's enough to make you want to deck the halls. Fidelity National Bank, with 25 locations to serve you. Member F.D.I.C.
